

Watts Green

Data Sheet:
WG-SLA-30W
All-in-one Solar Street Light

▶▶ Product Features

1. Elegant Integrated Design, Aluminum alloy case, Adjustable angle module
2. Night sensor + Microwave motion sensor + Remote Control
3. 140° wide lighting angle
4. Support 3 nights after full charging.
5. Easy to install and Auto on/off/sensor
6. Boom Size: 75mm

▶▶ Product Parameters

| | |
|------------------|------------------------------|
| Product Model | WG-SLA-30W |
| LED Power: | 30W |
| LED QTY | 3030 Bridgelux |
| Lumens | 210 LM/W |
| Lithium battery | 12V/24AH |
| Solar Panel | 18V/50W |
| Install Height | 4~6 meters |
| Waterproof: | IP65 |
| Charging Time | 8~9 hours by bright sunlight |
| Lighting time | 4-5 nights |
| Material | Aluminium alloy + PMMA |
| Size | 820*385*180mm |
| Work Temperature | -25°C to 65°C |
| Warranty | 3 years |
| Retail packaging | 91*45.5*21cm |
| G.W/Pcs | 12.5kg |

Lighting mode

4hrs 100% + 4hrs 60% + 4hrs 30% + Remote Controller
